AROUND THE TOWN

A good supper and ice cream at the lawn fete. Come one, come all.

Anniversary services will be held in the Harmattan Methodist church on Sunday next.

Mr. and Mrs. Wm. Hart of Seaforth, Ont., are visiting with Mr. and Mrs. J. Hart.

Supper, adults 25c., children 15c. at the lawn fete on Wednesday, June 17th. Don't forget the date.

WANTED—Good competent girl for general housework.—Apply at once at the Pioneer Office.

Imagine yourself a boy or girl again and take in the lawn fete on Wednesday June 17th, at the Presbyterian Manse.

Farmers Notice—A meeting of special interest to farmers will be held at Didsbury on Monday, June 8th, at Didsbury Opera House.

A black coat was found by D. M. Stuart of Neapolis while coming into town last week. The owner can have same by calling at this office.

At the School Board Meeting on Saturday night last there was no business of importance transacted except the passing of a few accounts.

Notice—Members of Alberta Farmers Association are requested to attend a meeting in Didsbury on Monday June 8th, at 2 p.m. for special business.

All parties owing for colts to Baptist and Hart, will please settle for same at once, with J. Hart at the Alexandra Livery Barn, who has taken over the books of the old firm.

Ed. Forler of Carstairs, has taken over the blacksmith shop formerly operated by Carson Bros. Simon Good has also accepted a position with him in the shop.

Harry Beckner returned from Ontario on Wednesday morning. He states that the farmers in Ontario had not finished seeding when he left and that they are having a very backward spring. Alberta still leads.

If you want a good 8 per cent. farm loan apply to the Central Alberta Land Co. They will make you a loan for a short term or they will make you a loan on the sinking fund system for a term of 10, 15 or 20 years.

Fall wheat 20 inches in height is to be seen in a field belonging to P. W. Wilson, south-west of town. Fall wheat will be a heavy crop here this year by all appearances, as all who are growing it say they never saw such good strong growth.

W. H. Smith and Co., have the agency for the Austin and Perry ladders. They have photographs showing a woman weighing 620 pounds standing on a nine pound ladder, which gives some idea of the strength of these ladders. See one before purchasing elsewhere.

The Local Lodge of Oddfellows will hold Thursday, June 11th, as memorial day and will walk to the cemetery to decorate the graves of deceased brothers at 7 o'clock in the evening, after which arrangements have been made for a special meeting of the Lodge in their rooms. All Oddfellows are requested to be present.

Mr. and Mrs. J. W. Fullbrook, Calgary, paid a visit to Mr. and Mrs. G. Reider last week.

WANTED—Wanted to buy a five or ten acre plot close to town.—State particulars, price and terms to Maes, Pioneer Office.

R. Hollinger returned on Sunday night from Edmonton where he had been attending the Masonic Grand Lodge.

Special Meeting—Farmers attend this special meeting in Didsbury on Monday, June 8th, at 2 o'clock p.m. This is for your benefit.

You can buy good, strong cabbage, cauliflower, celery and tomato plants, also some suitable bedding plants, at I. E. Hallman, The Gardener.

Mr. and Mrs. L. P. Clement have arrived at Woodstock, Ont., and the Woodstock Sentinel has an interesting paragraph or two from Mrs. Clement in praise of this district.

A good time is looked forward to at the lawn fete on Wednesday, June 17th. Choice of games, drop the hankerchief, tag in the meadow and ring around the roses.

Services in the Methodist church, East Didsbury, have been changed owing to the change in circuit boundaries. Services will be held at 11 in the morning instead of 7.30, p.m. commencing June 17th.

Dr. Lackner of Berlin, Ont., brother of Dr. Lackner of Didsbury, is again a Conservative candidate for North Waterloo in the Ontario elections which take place next Monday. There will be no contest in South Waterloo, G. Patterson, Conservative, going in by acclamation.

While out driving on Saturday last Mr. and Mrs. G. Sexsmith had an accident. The lines by some means became entangled as they were driving away from the house where they were visiting, causing the horses to swerve to one side and strike a pile of staves in the yard. The horses started to run, away throwing Mrs. Sexsmith and the baby out, but luckily not hurting them.

It would be a good thing if our town fathers had to live in Lackanville at present. Ladies and children who live in that part of town have to almost swim through the mud to get to their homes. The least the Civic Works Committee could do would be to lay a few planks at the crossing until better weather comes. The present state of affairs is a disgrace to the town.

The football game last Saturday afternoon between Didsbury and Carstairs, resulted in a defeat for the Didsbury team, the score being two nothing in favor of Crossfield. The Didsbury team went down one man short and then in the first half of the game two of their men were hurt, Keys and Rosenberry, which made play rather one sided. The score was made in the last half of the game.

What might have been a serious accident occurred on Sunday night last at the bridge on the road past the Hunsberger farm, south of town. Mr. and Mrs. Alvin Snyder were driving down the hill opposite the bridge when the horses became unmanageable and started to run away, throwing Mr. and Mrs. Snyder out of the buggy but not seriously hurting them. This is a dangerous piece of road and attention has been drawn to it before, but very little has been done to remedy it. The Government should be approached to see what they will do in assisting the L.I.D. in which this road is situated, to improve it before someone gets killed.

Crossing Case to be Re-argued.

The Council met on Monday after-
noon instead of in the evening, the
Councilors objecting to night sessions
when they can be avoided and business
being slack was the reason the meet-
ing was held in the afternoon. A
noticeable feature of this meeting was
that all hickering and heated argu-
ment was out, and the consequence
was that the Council accomplished
more work in a good deal less time
than usual.

All councillors were present with
the Mayor in the chair, Solicitor
Macleod and Clerk Ely also being
present.

Reports from Committees was the
first item of business.

Chairman Hembling, of the Fire,
Water and Light Committee, read
some letters relative to a water system
for the town, but as this was not in the
nature of a report, the Mayor ruled
that they be left in the hands of the
Committee to bring in a report on
same. The Chairman stated that he
had only just received these letters and
had no time to lay them before the
Committee. The letters were from
the Fairbanks Morse Co., re elevated
tanks and enclosing catalogue and
one from J. L. White and Co., re their
compressed air system.

The Board of Works brought in a re-
port of the improvements wanted in
the town which totaled up the mag-
nificent sum of \$4,304.55.

This brought up the money question
again, and as the motion made at the
previous meeting was not rescinded the
report was filed for future reference.

The by-law to expropriate the land
on King Edward street belonging to
the C. & N. received its first and
second reading. Mr. J. A. Williams
was appointed as arbitrator for the
town's interest.

The question of re-arguing the
crossing matter was then brought up
and on motion by Councilors Llesemer
and Hembling it was decided that
the case was to be re-argued, which
was carried unanimously.

The question of collecting the back
taxes on the Mortimer property was
taken up and discussed at some length.
As it would be a hardship on Mrs.
Mortimer to collect these taxes at pre-
sent, Councilors Atkins and Smith
moved that the arrears of taxes on the
property stand over for the present
Carried.

An open cellar on a lot opposite the
school house was reported as danger-
ous. The constable was instructed to
notify the owner of the lot that it must
be enclosed.

The drainage of the north end of
Railway street was reported to be in a
bad condition. The matter was left in
the hands of the Civic Works Com-
mittee.

The accident which happened to
Mr. and Mrs. Alvin Snyder at the
Hunsperger coulee was reported, but
as it is out of the jurisdiction of the
town Council to remedy the defects in
the hills and ledge it was decided to
write the Department of Public Works
calling their attention to this matter,
and also the fact that both hills on the
east side of the Roschud, north and
south, should be better protected.

A motion was also put and carried
that the Secretary be instructed to
write the Secretaries and Councilors
of the L.L. Districts east and west ask-
ing them to meet the town Council for
a joint conference, and also to petition
the grant to improve these roads and
bridges. The meeting will be held on
Thursday June 16th, at 2 p.m., in the
Council chambers.

The Council then adjourned.

H. Sharp who has about 3,000 apple
trees on his place, near Red Deer, is
much pleased over the way the trees
have come through the winter. Some
of the trees are now four years old and
in fine condition.

Mock Parliament.

The mock parliament held at the
Opera House on Tuesday night was a
great success from start to finish, and
judging from the enormous crowd pre-
sent, great interest was taken in the
proceedings. The intention of those
who instituted the affair was to hold
the parliament in the Lodge room ad-
joining the Opera House, but the crowd
was so large that there was not stand-
ing room and so they decided to use
the Opera House, which was crowded to
the doors. The line up
was as follows:

Speaker, Dr. Gaddes.
Government Ministers, C. Hiebert,
M.P.P., leader; H. B. Atkins, Minis-
ter of Public Works; J. A. Findlay,
Minister of Agriculture; J. A. Gil-
more, Minister of Railways and Canals;
W. Gamble, Minister of Finance; E.
Weber, Minister of Customs; G. Pet-
ers, Minister of the Interior.

Opposition—J. E. A. Macleod,
leader; J. Cannon, W. H. Chambers,
H. E. Osmond, Dr. Lackner, G. Sex-
smith, O. Lavers.
Fete Woods made a very efficient
Sergeant-at-arms.

The opposition members badgered
the Government members to a con-
siderable extent with questions relat-
ing to the welfare of the country. The
Minister of Agriculture was asked to
inform the opposition members what
was being done in regard to his patent
beet law as one then a side carries the
egg away and the hen thinking she has
made a mistake proceeds to lay again,
and so on ad infinitum. The Minister
of Railways was asked if it was true
that the Government were going to lay
a line of railroad from the back of his
bakers shop to Canastota, and several
other questions were asked of different
Government Ministers but space will
not permit of them all being enu-
merated. The questions of course were all
answered to the satisfaction of the
Opposition.

C. Hiebert, M.P.P., leader of the
Government, brought in a bill prohib-
iting the manufacture, importation
and sale of intoxicating liquors, which
was ably seconded by the Minister of
Public Works, H. B. Atkins.

The leader of the Opposition forces,
J. E. A. Macleod, brought in an am-
endment asking for a six months
tryst of the bill, favouring a commission
and the dispensary system to deal with
the liquor question, J. Cannon, M.P.P.,
seconded the amendment.

All the members of both sides of
the House took part in the debate, and
some very amusing speeches were the
consequence. The Government espe-
cially seeming to add clauses before to
the bill already brought in by their leader
and wandering away from their leader.
After the debate the Speaker,
Dr. Gaddes, put both the bill and the
amendment to the vote of the
audience, but it was hard to tell which
carried as the vote was so near equal.

The whole affair was most enjoyable
and the only drawback was the ex-
tremely late hour at which it ended.
Of course making a change from the
lodge room to the Opera House took
up considerable time, but it is hoped
that the next debate will be started
early so that the audience will not be
kept so late. A collection was taken
after the parliament was closed to de-
fray expenses of the Hall.

All the gentlemen taking part are to
be congratulated in providing such an
entertaining evening, and many were
the expressions of amazement heard on
all sides at the oratorical ability of
those who took part.

J. E. A. Macleod, C. Hiebert,
M.P.P., and Rev. J. S. Ferguson were
the prime movers of the mock parlia-
ment, and deserve the thanks of the
public in providing a pleasant evening's
amusement. It is hoped that they will
still continue these debates, or perhaps
change off and have a mock trial the
next time.

father Samuel Wignore, was one of
Alberta's first settlers.

largest meeting of that Order ever held
in the west on June 30th and July 1st,
for the purpose of forming a Grand

Stolen Horses Sold.

When some of the ranchers north and east of the Bow River rounded up their banks of horses this spring they found themselves short a considerable number, and at once got busy to find out where they were. A few days ago a rancher named Hughes heard that a number of animals bearing his brand had been purchased by farmers in the vicinity of Didsbury out of a band taken north by Milton Field of Calgary. Other animals bearing the brands of the other ranchers who had missed stock, were found with the farmers in that vicinity. The farmers state that when selling the animals Field claimed that they were the remainder of a large band brought from Calgary and had been sold along the road. Legal advice has been taken in the matter, and as Field had left the country, civil action will be taken by the ranchers to secure property. The R.N.W.M.P. have been notified and are taking action in the matter.—Advocate.

If one feels dull and spiritless in the spring or early summer, they call it "Spring Fever." But there is no fever—usually. It is the effect of our winter habits. The nerves are mostly at fault. Tired, worn-out nerves leave us languid, listless, and without spirit or ambition. A few doses of Dr. Shoop's Restorative will absolutely and quickly change all these depressing symptoms. The Restorative of course won't bring you back to full health in a day or two, but it will do enough in 48 hours to satisfy you that the remedy is reaching that "tired spot." Druggists everywhere are advising its use as a splendid and prompt general tonic. It gives more vim and spirit to the spoonful than any other known nerve or constitutional tonic. It sharpens a failing appetite, aids digestion, frees sluggish livers and kidneys, and brings new life, strength and animation. Test it, a few days and be convinced. Sold by H.W. Chambers, Didsbury.

Kansas.

Crops are doing, fine never looked better this time of the year.

Mr. Wilson our hustling and prosperous grocer is building a new addition to his store.

R. C. Scott is kept busy entertaining the neighboring batchelors these days.

Mr. Wm. Kede of Samsontown is visiting friends in Kansas.

Mr. Henry Hoffman was back from the sunny south for a few days, he says the strawberries are ripe down there.

Where was Jack the other night? buggy tracks out west.

Mr. Murphy is wearing his best smiles since the arrival of his young set daughter.

The cheese factory boys are milking cows.

We are glad to see Daniel around again after the shaking up he got a few days ago. Perhaps Dan will be a little more peaceable now. Little toys should be seen and not heard.

We have heard that Mr. Bill Stickney is going to leave us for a few months, but we would rather see him stay, because we will certainly miss him.

Mr. W. R. Wilson has his warehouse about completed, he will hereafter have sufficient room to carry a full stock.

Our young folks enjoy the wet weather during the week but despise to see it on Sunday, but when rain is ripe it must be picked, rain or shine.

It is not wise for little Dan to try and run a bluff on any person larger than a schoolboy.

Rev. C. Finkbeiner's introductory services in the Evangelical church last Sunday forenoon was well attended.

Baptist preaching and Young People's association in the Baptist church, next Sunday evening, the latter to commence at eight o'clock sharp.

WHY SOME PEOPLE GO TO CHURCH.

Some go to church just for a drive or a walk.

Others go to stare, to laugh and to talk;

Some go there to meet a friend.

Some for general observation.

Some for private speculation.

Many go there to seek or find a lover.

And a countless to discover;

Some go there to use their eyes,

And the newest fashions criticize.
Some to show their own smart dress,
And their neighbors to amaze.

Some to scan a robe or bonnet,
Some to price the trimmings on it;
Some to learn the latest news,
That friends at home they may amuse.

Some to gossip false or true,
Safely hid within the sheltering pew;
Others go there to please the squire,
Some their daughters to admire.

Weak women should try Dr. Shoop's Night Cure. These soothing, healing, antispasmodic suppositories go direct to the seat of the weaknesses. My "Book No. 4 for Women" contains many valuable hints to women, and it is free. Ask Dr. Shoop, Kacine, Wis., to mail it. Ask the Dr. in strictest confidence any questions you wish answered. Dr. Shoop's Night Cure is sold by H.W. Chambers, Didsbury.

Rodenville.

A public well is being dug on main street.

Rev. Lister paid a visit to Crossfield last week.

Roscoe and Effie Irwin are visiting at their grandfather's, Mr. Gibson's near Didsbury.

David Dennet, Edward Wakefield and Harry Gardner all left for Calgary last Friday morning.

Ralph Blueglass is having a fence erected around his quarter.

Jessie Novenger was in town last week.

Myrtle Gibson has returned home after a pleasant visit with her sister Mrs. Irwin.

Robert Dale is back from the old sod looking hale and smart.

The crops are looking fine around Rodenville District and the people are looking forward to another big crop again this year.

A Marriage of Local Interest.

(By a special correspondent.)

"In Spring a young man's thoughts turn to love," and Mr. H. Metcalfe was no exception to the rule, and the residents of Didsbury will be, I am sure, delighted to read an account of his marriage.

"Silence is golden," and Mr. Metcalfe evidently believed in that maxim, as nothing was known till Sunday of this most interesting event. The writer feels it an honor and a great privilege to be able to place before the numerous readers of the Pioneer a report of the marriage? which took place at Olds.

It was a lovely spring morning, the sun shining in all its glory, the birds singing with a depth of feeling unknown to the human heart, the trees looking beautiful and fresh in the spring garb of green leaves and buds, when Mr. Metcalfe arrived at Olds.

In his heart (and head) there were emotions too tender and sweet for pen to describe, he built castles in the air, dreaming of the happy home which was to be. The writer now feels a trembling of the hand and a lump in his throat when the events of that morning comes vividly before him. He sees the bridegroom and his friends scrupulously and elegantly attired drive up to the church in which he was to meet his doom (not Trinity church).

His friends had also arrived, but much to the consternation and surprise of the assembly, nothing was seen of the beautiful and blushing bride. What a dreary and dismal time followed, even the lovely morning could not raise the spirits of poor Harry. At last they gave up waiting and watching, when a messenger arrived with a note for Harry, the contents of which was denied to even the favored writer. It was a sad and gloomy party that wended their way from the beautiful edifice, but as gloomy as the party were it made no difference to a group of urchins who were reveling in that melancholy song, "There was I waiting at the Church."

Mr. Metcalfe arrived at Didsbury on Sunday evening, where the news of his intended marriage had leaked out, and was pelted with rice, but every pickle seemed like a two edged sword in his breast.

May School Report

The daily routine work of the month was very much broken in upon, but notwithstanding the fact that almost every week brought some diversion from the regular class work the progress and monthly standing on the whole has not been below the average.

Arbor Day was duly celebrated by the teachers and pupils on May 1st. The forenoon was spent in stone picking, digging, raking and preparing flower beds. In the afternoon a great variety of seeds were sown and the work of Arbor Day was completed, all concluding to an improvement in the appearance of the school grounds, and to an added interest and pleasure on the part of the pupils, who watch eagerly for the first flowers to make their appearance above ground.

Empire Day celebration was held on Friday, May 22nd. On this occasion the day was spent by the teachers reviewing with the pupils the history, position, importance and statistics of the extent of the British Empire, the origin and purpose of the day, and the position that Canada occupies in the Empire.

The last week of the month was interrupted by Victoria Day and the following two days by the Teachers Institute. For this reason the monthly examinations were not as complete as they otherwise would have been, yet the attendance and proficiency have been as satisfactory as can be expected, as the following report shows:

Daily school was in session 18.

Total enrollment for month 140.

Average attendance for month 115.92.

To stop any pain, anywhere in 20 minutes simply take just one of Dr. Shoop's Pink Pain Tablets. Pain means congestion - blood pressure - that is all. Dr. Shoop's Headache or Pink Pain Tablets will quickly ease blood pressure away from pain centers. After the pain is gone Headache, neuralgia, painful periods with women, etc., get instant help, 20 tablets 25c. Sold by H. W. Chambers, Didsbury.

The Cemetery Matter.

A representative of the Pioneer has been informed by those in authority that the reason the gates were locked at the cemetery, was because people would not close the gate when they came away and also that the public were in the habit of driving into the cemetery and breaking off the stakes, thereby causing a great deal of trouble to the Trustees. If any person wishes to go into the cemetery at any time, if they call at the residence of either Mr. Wm. Hunsperger or Mr. Levi Snyder, they can get the key to the gates.

Fits are easily and quickly checked with Dr. Shoop's Magic Ointment. To prove it I will mail a small trial box as a convincing test. Simply address Dr. Shoop, Racine, Wis. I will not send it free unless I was certain that Dr. Shoop's Magic Ointment would cure the test. Remember it is made up ready and done for swabs, painful, itching or itching piles, either external or internal. Large jar 50c. Sold by H. W. Chambers, Didsbury.

Cough Caution

Never, positively never poison your lungs. If you cough even from a simple cold - cough - you should always keep, ready, and use the irritable bronchial tubes. Don't let it creep up on you with a sneezing poison. It is strange how people finally come about. For twenty years Dr. Shoop has constantly warned people not to take cough medicine or expectorant. He has sold Chloroform, or similar poisons. And now - a little late but not too late - he says: "Put them in the trash can. If you are in your cough mixture, (good) Very good! If you are in your cough mixture, (good) and others, should insist on having Dr. Shoop's Cough Cure. No other marks on it, but it is sold to be by those that know it best, a truly remarkable cough remedy. Take positive heed, particularly with your children. Insist on having Dr. Shoop's Cough Cure. Compare carefully the Dr. Shoop package with others and note the difference. No person marks there. You can always be on the safe side by demanding
